Date of this version:
30/04/2023

Booking:

Booking for Blists Hill, Black Country Museum and any which offer a block booking discount are **requested** so that we can get the discount.

Also, for more distant places, I will try to arrange some **car sharing** as several members have offered to take others, but need to know which wants to come in advance

However, despite that, all venues and dates are optional, and you can just "**turn up**" if you wish.
